

# WHO IS EUROTECH

**WINNING WITH TECHNOLOGY  
THAT RUNS FASTER & SLEEPS LESS!**

← The Eurotech factory opened in 1958. With steady growth since its founding, the manufacturing floor has grown to 350,000 square feet, plus the foundry square footage of 700,000.

A family owned business since its founding in 1958 with the same family running it today and machines built in the same location. *"Big enough to do the job and small enough to care."*

*Back row:* Jeff Walz, Mauro Biglia, Carlo Biglia, Edoardo Biglia,  
Gabriella Biglia, Joe & Cheryl Selway, Sarah Walz.  
*Front row:* Carlo Biglia, Eleonara Biglia, Antonella Biglia, Luca Biglia

## **EUROTECH HAS EXPERIENCED STEADY GROWTH SINCE 1958 THROUGH MULTI-AXIS FOCUS WITH SUPERIOR TECHNOLOGY**

FMS System from MCM utilizing horizontal centers with pallet pool

FPT universal does 5-sided machining of a machine base

**We don't just assemble the machines, we make them! ...from pouring the castings, machining the castings, making our own turrets, to painting the machines.**

**See advanced technology in action!**

For over 20 years we have offered **FREE LIFETIME TRAINING** to our valued customers as well as free engineering phone support. We have found this to be an important factor in helping our customers become profitable. Thousands of CNC machinists have trained at our FREE Eurotech College. By listening to our customers' needs Eurotech has

established a value that delivers more benefits to our customers than anything else in the industry, benefiting companies such as G.E., Pitney Bowes, Parker Hannifen, Goodrich Aerospace, Honeywell, Westinghouse, Stryker, Timken, Smith Nephew, Textron, Tyco, Festo, Gates, Beretta, Bennelli, Taurus, Remington, Ferrari, Perazzi, Keltec, Infinity, Sako and many others.

**Since 1958, Winning with Technology!**
